Mr. James N. Hatten
Clerk of the Court
United States District Court Northern District of Georgia
75 Spring Street, SW
Atlanta, Georgia 30303-3361

Dear Mr. Hatten:

You issued a judgment and a writ of execution in violation of the rules, and my assets and my wife's assets have been claimed by the opposing party as a result of these wrongful actions.

I am preparing to file a lawsuit against you, but I thought I would write first to see if you will correct this without judicial intervention.

Enclosed is a motion that I have filed with the Court. This same information will be in my lawsuit.

Please advise if you will do anything.

Sincerely,

A handwritten signature in black ink that reads "William M. Windsor". The signature is written in a cursive, flowing style.
