Mr. James N. Hatten  
Clerk of the Court  
United States District Court Northern District of Georgia  
75 Spring Street, SW  
Atlanta, Georgia 30303-3361

Dear Mr. Hatten:

Enclosed is your letter of November 16, 2010 received today. Your letter is false and malicious.

Enclosed is the letter that was rubber-banded to the top of those documents. On top of that was a note asking the Filing Clerk to distribute the letter and documents to Judge Evans. You will note that the letter to Judge Evans was copied to Carl Hugo Anderson, so he has a copy as well.

Also enclosed is the letter of November 16, 2010 sent with the documents that day with instructions ONLY to file one Request for Specific Approval. You have NO LETTER FROM ME asking you to file the Motion for Stay and Motion to Recuse.

Please confirm that all of these documents were sent to Judge Evans with her cover letter. Please send me a letter of apology. Absent this apology letter, I will file a new lawsuit against you.

Thank you.

Sincerely,

William M. Windsor
