Clerk of the Court
United States District Court Northern District of Georgia
75 Spring Street, SW, 22nd Floor
Atlanta, Georgia 30303-3361

Dear Clerk of the Court:

Please file the five enclosed Requests for Specific Approval and the one Response immediately. Special thanks to Ms. White for immediately filing those received by her yesterday!!! (The Response is authorized by Order dated November 17.)

Please file these in this order:

1. Amended Request for Specific Approval - Motion to Recuse
2. Amended Request for Specific Approval - Motion for Reconsideration
3. Request for Specific Approval - Motion to Strike Affidavits
4. Request for Specific Approval - Motion for Hearing
5. Request for Specific Approval - Response to Motion for Sanctions - Inherent Powers
6. Supplemental Response to Motion for Sanctions

It is absolutely essential that these are filed and docketed first thing this morning.

Should you fail to file this immediately, you will be knowingly denying my Constitutional and legal rights. This will subject you to legal action by me against you personally for damages pursuant to established case law. I suggest that you first check with your personal attorney about the consequences of knowingly violating the law, the Rules of Civil Procedure, and my Constitutional rights.

Please distribute the envelopes for Judge Duffey and Judge Evans.

Also please note and advise all of the clerks about this: Judge Duffey has threatened to have you discard the exhibits that I submitted for filing with my Preliminary Response to Motion for Sanctions that was delivered to you for filing on November 10. This Preliminary Response has not been filed, but Judge Duffey's Order of November 17 authorizes its filing, and I want it to be filed. Please contact Judge Duffey to determine if he is allowing the exhibits to be filed. If not, please do not discard them as I want them as evidence that the Clerk's Office and Judge Duffey broke the law by failing to file these.

Thank you.

Sincerely,
