Dear Mr. Howard:

I was informed on Thursday, May 12, 2011 by a reliable source that I may be targeted for assassination by the U.S. Government. As you should know, I am an activist seeking to stop government corruption and judicial corruption. I have testimony pending before the Fulton County Grand Jury.

I was a guest on a radio talk show on Republic Broadcasting on Thursday, May 12. Following the radio show, I was contacted by a known, reliable source who informed me that the U.S. government may be targeting him for assassination.

The report comes from a federal prisoner through his wife. I have been told that the prisoner was approached by government agents offering the man a deal. That deal was for him to infiltrate efforts of people, including specifically by name - William M. Windsor. Assassination of William Windsor and at least one other named individual was mentioned.

The two people named have asked if the prisoner will sign an affidavit telling what he was told.

I have amassed proof of hundreds of criminal violations by 11 federal judges in Atlanta, Georgia, and on May 10, those charges were formally presented to the Fulton County Grand Jury by Deputy Sheriff Betts.

I am seeking protection. What can you do to help me?

Please call me. I carry my cell phone at all times – 404-606-1885.

Sincerely,

A handwritten signature in black ink, appearing to read "William M. Windsor". The signature is fluid and cursive, with the first name being the most prominent.
