Dear Grand Jury:

I will be coming to your jury area today, and I need to speak with the entire Grand Jury or with the Foreman.

I have previously written asking your grand jury to investigate the criminal acts of nine federal judges in Atlanta. You have this power. This is one of the most serious issues that our country has ever faced, and it is up to you to do something about it. A copy of my letter is attached. I have no way of knowing if the District Attorney provided the letter to you.

As you should know, your grand jury has the power of Presentment, as provided in the 5th Amendment to the U.S. Constitution: “No person shall be held to answer for a capital, or otherwise infamous crime, unless on a Presentment or indictment of a Grand Jury . . . .” A Presentment is an accusation, made by a grand jury of its own mere motion, of an offense upon its own observation and knowledge, or upon evidence before it, and without any bill of indictment laid before it at the suit of the government. A Presentment *originates* in the grand jury. The grand jury discovers an offense on *its own*. It observes and collects evidence of the offense, and the government has nothing to do with it. The grand jury is independent. The court then prepares the indictment based on the Presentment.

Federal judges in Atlanta are corrupt. I have absolute proof, and I look forward to presenting it to you. My story is told at [www.LawlessAmerica.com](http://www.LawlessAmerica.com). My claims have been presented to the U.S. Attorney, FBI, Attorney General, and every member of the House and Senate Judiciary Committees, but they have ignored it all. They haven't ignored it because it isn't true; they have ignored it because they are covering up for the corrupt judges.

Please call me. I carry my cell phone at all times – 404-606-1885. I can testify at any time.

Sincerely,

William M. Windsor
