I have been attempting to get someone to contact me for six months with no success. I plan to come to your offices on Thursday to see if someone will speak with me.

I am representing myself pro se in a matter in which the dishonest judge (Judge Orinda D. Evans) has committed perjury and obstruction of justice. In now trying to cover up, she has issued an injunction that blocks my ability (and the ability of any person or company that I am associated with) to file any motions, responses, replies, or lawsuits. I was never even able to obtain a hearing or a conference in four years!

This is a case of MASSIVE dishonesty by the judge and the attorneys involved. No one will believe the story when they hear it because it is so outrageous.

I now fear that Judge Evans will try to force me into bankruptcy. I need someone to listen for a half hour.

Please help.

Senator Johnny Isakson

Washington, DC 20510

Dear Senator Isakson:

I have proof that United States Northern District of Georgia Judge Orinda D. Evans has committed many counts of perjury and obstruction of justice.

Next Friday, Judge Orinda D. Evans will probably send me to jail. I have done nothing wrong except discover that she is corrupt. She is completely and totally dishonest. She just awarded \$225,000 in attorneys' fees against me with absolutely no legal or factual basis to do so. She has "stolen" my entire life savings -- \$1,500,000 in legal fees.

I am representing myself pro se in an attempt to reopen a case that she corruptly decided in favor of another party. I have proof galore, and I can prove that she has lied. I can prove that her rulings have totally ignored the law and the facts. Again and again and again. She has committed perjury, obstruction of justice, misprisions of felonies, and much more. She gets away with it because her 30-year buddies at the appellate court let her. The corruption here in Atlanta Georgia's federal courts is unbelievable.

I am asking you to have someone in Judge Evans' courtroom for the hearing on Friday April 16 – Maid of the Mist vs. Alcatraz Media and William M. Windsor. You will be able to see first-hand how she breaks the law.

I hope to fill the courtroom with media on Friday the 16th. I believe an investigative reporter will be there from the Atlanta Journal and Constitution, and I am trying to get 60 Minutes and others.

I desperately need to get the US Attorney, FBI, or DA, or someone to come, but they have ignored all of my efforts.

I need to explain what this woman has done to me and many others. I have no doubt that there are many people behind bars who have no business being there. One mother called me last week to tell me what Judge Evans did to her son for no reason whatsoever. At 26-years old, he was sent to prison for 46 months because she said he looked guilty.

She is as crooked as they come.

I have never been arrested, never been accused of anything, haven't even had a speeding or parking ticket in over 10 years. I don't smoke or drink, and I have never used drugs of any type. I'm a normal retired business executive who has run into the devil in the federal courthouse. Judge Evans desperately needs to be indicted and impeached.

Please have someone call me. I carry my cell phone at all times – 404-606-1885.

Thanks,

She is as crooked as they come. This may be hard for one federal judge to believe about another, but it is true. If you read the transcript of her latest hearing, you will be shocked and appalled. She has violated just about every Constitutional right there is. Unfortunately, the Eleventh Circuit blindly supports her.

I recently filed a Petition for Writ of Certiorari, and I was devastated when it was denied. I pleaded for the Court to use its supervisory powers. What Judge Evans has done is beyond words.

I have absolute proof that United States Northern District of Georgia Judge Orinda D. Evans is corrupt and has committed many counts of perjury, obstruction of justice, and worse. She totally disregards the facts and the law and “rapes” innocent people in her courtroom just because she can. She is evil.

I was in her courtroom on Thursday, and she was as dishonest and unfair as any human could possibly be. She denied almost all of my attempts to present evidence and testimony. It was all a charade. She was there to punish me for attempting to get her indicted and impeached for her crimes. It was very obvious.

Next Friday, Judge Evans will probably send me to jail. I have done nothing wrong except discover that she is corrupt. She just awarded \$225,000 in attorneys’ fees against me with absolutely no legal or factual basis to do so. She has “stolen” my entire life savings – over \$1,000,000 in legal fees. I don’t have the \$225,000 so I may well be filing bankruptcy. I could probably borrow it from my children, but I believe I would rather go bankrupt.

I am representing myself pro se in an attempt to reopen a case that she corruptly decided in favor of another party. I have proof galore. I can prove that her rulings have totally ignored the law and the facts. Again and again and again. She has committed perjury, obstruction of justice, misprisions of felonies, and much more. She gets away with it because her 30-year buddies at the Eleventh Circuit let her. Surely you know what is going on. Howe in the world could you let it happen?

I am asking you to have someone in Judge Evans' courtroom for the hearing on Friday April 16 – Maid of the Mist vs. Alcatraz Media and William M. Windsor. You may be able to see first-hand how she breaks the law.

I hope to fill the courtroom with media on Friday the 16th. I believe an investigative reporter will be there from the Atlanta Journal and Constitution, and I am trying to get 60 Minutes. I am contacting all of the local TV stations and newspapers as well as the national media. I hope to get some attention so this might become a national scandal that will get people mad.

I desperately need to get the US Attorney, FBI, or DA, or someone to come, but they have ignored all of my efforts.

I have no doubt that there are many people behind bars who have no business being there. One mother called me last week to tell me what Judge Evans did to her son for no reason whatsoever. At 26-years old, he was sent to prison for 46 months because she said he looked guilty.

Please have someone call me. I carry my cell phone at all times – 404-606-1885.

Sincerely,

Story Idea: Corruption in the Federal Courts in Atlanta, Georgia

Ladies and Gentlemen:

I have absolute proof that United States Northern District of Georgia Judge Orinda D. Evans is corrupt and has committed many counts of perjury, obstruction of justice, and worse. She totally disregards the facts and the law and rapes innocent people in her courtroom just because she can. She is evil.

Next Friday, Judge Orinda D. Evans will probably send me to jail. I have done nothing wrong except discover that she is corrupt. She is completely and totally dishonest. She just awarded \$225,000 in attorneys' fees against me with absolutely no legal or factual basis to do so. She has "stolen" my entire life savings – over \$1,000,000 in legal fees. I do not have the \$225,000, so I will probably be forced to file bankruptcy.

I am representing myself pro se in an attempt to reopen a case that she corruptly decided in favor of another party. I have proof galore. I can prove that her rulings have totally ignored the law and the facts. Again and again and again. She has committed perjury, obstruction of justice, misprisions of felonies, and much more. She gets away with it because her 30-year buddies at the appellate court let her. The corruption here in Atlanta Georgia's federal courts is unbelievable.

I am asking you to have someone in Judge Evans' courtroom for the hearing on Friday April 16 – Maid of the Mist vs. Alcatraz Media and William M. Windsor. You will be able to see first-hand how she breaks the law.

I hope to fill the courtroom with media on Friday the 16th. I believe an investigative reporter will be there from the Atlanta Journal and Constitution, and I am trying to get others. I am speaking with Senator Saxby Chambliss and many others.

I desperately need to get the US Attorney, FBI, or DA, or someone to come, but they have ignored all of my efforts.

I need to explain what this woman has done to me and many others. I have no doubt that there are many people behind bars who have no business being there. One mother called me last week to tell me what Judge Evans did to her son for no reason whatsoever. At 26-years old, he was sent to prison for 46 months because she said he looked guilty. Many have discovered my fight and have called to tell me their stories.

I have never been arrested, never been accused of anything, haven't even had a speeding or parking ticket in over 10 years. I don't smoke or drink, and I have never used drugs of any type. I'm a normal retired business executive who has run into the devil in the federal courthouse. Judge Evans desperately needs to be indicted and impeached. But on Friday, she will probably send me to jail because she has the power to do so and the desire to do so.

Please have someone call me. I carry my cell phone at all times – 404-606-1885.

Sincerely,

A handwritten signature in black ink, appearing to read "William M. Windsor". The signature is written in a cursive, flowing style with some loops and flourishes.

The rights of every American to represent themselves in court and have an impartial judge are as basic as civil liberties get.

I am representing myself pro se in a matter in which the corrupt judge, Judge Orinda D. Evans, has abused every imaginable Constitutional right. She has as much as said that she is punishing me because I do not have an attorney.

Two weeks ago, she awarded over \$200,000 in legal fees against me when I had done absolutely nothing improper with efforts to get my case reopened. Last week, she found me in contempt of an illegal injunction that she entered against me without notice or a hearing. She is planning to send me to jail, and all I have done is attempt to get her indicted and impeached.

She is going to force me into bankruptcy. I will lose my family.

I understand that you only take a few cases, but I cannot find an attorney who will represent me for fear of reprisals from the federal judges.

The FBI and U.S. Attorney ignore me as have the House and Senate Judiciary Committees. There is nowhere to turn except you – the people who stand up for those getting the civil liberties trampled.

I have been contacted by others who have had similar experiences with Judge Evans, including the mother of a young boy sent to prison for 46 months because Judge Evans said he “looked guilty.” I need someone to listen for a half hour.

Please help.

Dear Special Agent Mangrum:

I have proof of corruption in the federal courts in Atlanta, Georgia that makes Judge Camp's bust look like child's play.

I have never been arrested, never been accused of anything, haven't even had a speeding or parking ticket in over 10 years. I don't smoke or drink, and I have never used drugs of any type. I'm a normal retired business executive who has run into the devils in the federal courthouse. As many as nine federal judges in Atlanta need to be indicted and impeached.

If we can meet, I can show you the corrupt acts as well as the proof that the acts were corrupt. The long and short of it is that these judges ignore the facts, ignore the law, and violate a number of criminal statutes from the bench. This is one of the biggest scandals in the history of our country.

Please call me. I carry my cell phone at all times – 404-606-1885.

Dear Chief:

I sent you a fax on October 26, 2010, and you did not respond -- just as you did not respond a year or so ago when I raised these same issues regarding Judge Evans. I understand from Chris Huber that you are aware of my allegations of corruption in the federal judiciary in Atlanta, Georgia.

I have proof of corruption that makes Judge Camp's bust look like child's play. You have totally dishonest, corrupt federal judges who commit criminal acts while posing as judges.

If we can meet, I can show you the corrupt acts as well as the proof that the acts were corrupt. The long and short of it is that these judges ignore the facts, ignore the law, and violate a number of criminal statutes from the bench. This is one of the biggest scandals in the history of our country.

Enclosed are the Petitions for Writs of Mandamus that I have filed with The United States Supreme Court. For the Appendix to each:

Petition for Writ of Mandamus to Disqualify Judge Duffey. You can download the Word file at <http://www.lawlessamerica.com/index.php/news/blog-of-william-m-windsor/103-petition-for-recusal-of-judge-william-s-duffy-us-supreme-court>

Petition for Writ of Mandamus to Disqualify all of the Judges of the Eleventh Circuit is available here -- <http://www.lawlessamerica.com/index.php/news/blog-of-william-m-windsor/104-petition-for-recusal-of-judges-of-the-eleventh-circuit-court-of-appeals-us-supreme-court>

Last but certainly not least is the Petition for Writ of Mandamus to Disqualify Judge Evans. It is available here --

<http://www.lawlessamerica.com/index.php/news/blog-of-william-m-windsor/105-petition-for-recusal-of-judge-orinda-d-evans-us-supreme-court>

I now know for an absolute fact that the federal courts are corrupt in Atlanta, Georgia. I would imagine you know this as well but are afraid to act because everyone covers this up. I will not stand still for the cover up anymore. If you do not investigate and refer this to a Grand Jury, please be advised that I will file a Professional Misconduct Complaint against you with the Georgia Bar Association, and I will sue you. You have a legal obligation to report crimes by public officials, and if you ignore this, that is exactly what you will be doing. You will be as crooked as Judge Evans, Judge Duffey, Judge Dubina, Judge Edmondson, Judge Carnes, Judge Barkett, Judge Hull, Judge Marcus, and Judge Pryor if you read the enclosed and fail to act. I can prove everything in these Petitions with documents, and if I can get some people deposed or on a witness stand, I should be able to blow this wide open.

Please note in the Petition to disqualify the Judges of the Eleventh Circuit that I have asked The Supreme Court whether the Eleventh Circuit should be stopped from voiding the Constitution. I can't wait to see what they respond with. If they ignore it, we will all know that the corruption goes to the highest levels of government.

Dear Ms. Yates:

You know that the federal judges in Atlanta are corrupt and dishonest. You cannot be an educated attorney and not know. As United States Attorney, you have a legal, moral, and professional obligation to report this and have a Grand Jury consider indictments.

We have totally dishonest, corrupt federal judges who commit criminal acts while posing as judges.

If we can meet, I can show you the corrupt acts as well as the proof that the acts were corrupt. The long and short of it is that these judges ignore the facts, ignore the law, and violate a number of criminal statutes from the bench. This is one of the biggest scandals in the history of our country.

I am also enclosing a rough draft of "The Rotten Peaches Brief." This is a document that I am preparing for the media, the President, the Presidential candidates, every member of Congress, every U.S. Attorney in Atlanta, the brass with the FBI and the Attorney General's Office, and assorted others. Once you review this, you have a legal obligation to report the evil-doers to the Bar Association, the judicial conduct people, Congress, and the President. Failure to do so will make you guilty of professional misconduct and crimes.
