Dear Mrs. Keel and Mr. Howard:

My calls have still not been returned, and my faxes have not been answered.
Please respond.

I wish to file a criminal complaint for Tampering with the Grand Jury, violation of oath of office, Obstruction of Justice, Conspiracy, and RICO.

I am also preparing a civil action. I will be coming to the Grand Jury area on Friday to interview the grand jurors about what took place prior to my submission of charges. Please confirm that this fact inquiry to determine who to file criminal charges against will not be considered jury tampering or is otherwise a violation of anything. If you claim it would violate anything, please send me the statute and case law. If I do not hear from you, I will move forward with interviews.

Attached is a photograph of the 164 documents that were next to the entrance to your office from 9:10 am yesterday until approximately 1:15 pm. I also attach the script for my presentation yesterday. I demand that this information be given to the Grand Jurors and that I am allowed to present on Friday with my two cases of evidence.

Sincerely,

William M. Windsor
