Dear Judge Davis:

My Criminal Warrant Applications were passed to you for review a month ago, and no one has extended the courtesy of returning my many phone messages, emails, and visits to the office of the Court Administrator.

I will be at the courthouse the morning of September 27, and I expect to be able to get my criminal warrant applications processed at that time.

Enclosed are certified copies of orders from Judge Thomas Woodrow Thrash approving my actions against the people listed in my Criminal Warrant Applications.

Please have someone call me. My cell phone is 404-606-1885.

If I don't hear from you first, I will come to your courtroom each day until this matter is resolved.

Sincerely,

A handwritten signature in black ink that reads "William M. Windsor". The signature is written in a cursive, flowing style.
