Dear Ms. Nwokocha, Sheriff Jackson, and Major Leighty:

I am very disturbed by the manner in which I was treated today at the office of the Fulton County District Attorney when I was attempting to speak to the Grand Jury about criminal charges against District Attorney Howard and others in Fulton County

I arrived with sealed confidential envelopes with evidence for the Grand Jury, and Deputy Sheriff Betts refused to give the evidence to the Grand Jury. I was told that I was not allowed to hold a sign that asked to speak to the Grand Jury, a clear violation of my First Amendment rights in a public lobby in a government building.

A slew of deputies showed up a short while later, and Deputy Sheriff England told me he would arrest me for "jury tampering" if I spoke to a grand juror in the lobby. Clearly that violates my rights to free speech, and my attempt to speak with a grand juror about providing testimony and evidence in no way, shape, form, or fashion would constitute jury tampering! England's actions are a textbook example of a violation of O.C.G.A. 16-10-93. Witnesses present include Cynthia Nwokocha, Deputies Betts, England, and Roye as well as myself and citizens Kia'Vonne Glington and Venoya Sims.

The Grand Jury was ushered out a private entrance to keep them from passing by me when they adjourned for the day. The person or persons responsible for that are guilty of violation of O.C.G.A. 16-10-93 and 16-10-94.

I charge Deputy Sheriff Betts, Deputy Sheriff England, Ms. Naomi Fudge, and unknown others with obstruction of justice and violation of O.C.G.A. 16-10-93:

“(a) A person who, with intent to deter a witness from testifying freely, fully, and truthfully to any matter pending in any court, in any administrative proceeding, or before a grand jury, communicates, directly or indirectly, to such witness any threat of injury or damage to the person, property, or employment of the witness or to the person, property, or employment of any relative or associate of the witness or who offers or delivers any benefit, reward, or consideration to such witness or to a relative or associate of the witness shall, upon conviction thereof, be punished by imprisonment for not less than one nor more than five years.

(b)(1) It shall be unlawful for any person knowingly to use intimidation, physical force, or threats; to persuade another person by means of corruption or to attempt to do so; or to engage in misleading conduct toward another person with intent to:

(A) Influence, delay, or prevent the testimony of any person in an official proceeding;

(B) Cause or induce any person to:

(i) Withhold testimony or a record, document, or other object from an official proceeding;

(ii) Alter, destroy, mutilate, or conceal an object with intent to impair the object's integrity or availability for use in an official proceeding;

(iii) Evade legal process summoning that person to appear as a witness or to produce a record, document, or other object in an official proceeding; or

(iv) Be absent from an official proceeding to which such person has been summoned by legal process; or

(C) Hinder, delay, or prevent the communication to a law enforcement officer, prosecuting attorney, or judge of this state of information relating to the commission or possible commission of a criminal offense or a violation of conditions of probation, parole, or release pending judicial proceedings.”

I charge Deputy Sheriff Betts, Deputy Sheriff England, and unknown others with violation of O.C.G.A. 16-10-94:

“(a) A person commits the offense of tampering with evidence when, with the intent to prevent the apprehension or cause the wrongful apprehension of any person or to obstruct the prosecution or defense of any person, he knowingly destroys, alters, conceals, or disguises physical evidence or makes, devises, prepares, or plants false evidence.

(b) Nothing in this Code section shall be deemed to abrogate or alter any privilege which any person is entitled to claim under existing laws.

(c) Except as otherwise provided in this subsection, any person who violates subsection (a) of this Code section involving the prosecution or defense of a felony and involving another person shall be guilty of a felony and, upon conviction thereof, shall be punished by imprisonment for not less than one nor more than three years; provided, however, that any person who violates subsection (a) of this Code section involving the prosecution or defense of a serious violent felony as defined in subsection (a) of Code Section 17-10-6.1 and involving another person shall be guilty of a felony and, upon conviction thereof, shall be punished by imprisonment for not less than one nor more than ten years. Except as otherwise provided in this subsection, any person who violates subsection (a) of this Code section involving the prosecution or defense of a misdemeanor shall be guilty of a misdemeanor.

I charge Deputy Sheriff Betts, Deputy Sheriff England, and unknown others with violation of my First Amendment rights to free speech.

I am equally concerned with what was communicated to the grand jury and by whom. The District Attorney's Office is named in my sealed charges presented to the Grand Jury, and as Mr. Howard knows, he was warned to not interfere in any manner as that would constitute another crime. You told me the grand jury did not want to hear from me. How would you know that? Please advise. If you or anyone else told the Grand Jury anything about me, it will be a violation of Georgia criminal statutes.

Please file my charges with the District Attorney's Office, the Atlanta Police Department, and the Fulton County Sheriff's Department. Please call me with case numbers and to have investigators speak with me. I will return to the Grand Jury area on Tuesday, and I ask for a letter from the Sheriff advising his deputies that I have the right to speak to anyone I choose, and they have no right to tamper with my efforts to present evidence to the jury.

Sincerely,

William M. Windsor
