Mr. Steve Broadbent, Foreman Fulton County Grand Jury Mr. Waverly Settles Fulton County District Attorney 136 Pryor Street – Third Floor Atlanta, GA 30303-3477 Fax: 404-893-2769

Dear Mr. Broadbent and Mr. Settles:

I am very disturbed by the false information that was communicated to the Grand Jury today. I have never in my life claimed to have been the President of Goldman Sachs or the CEO of Bain Capital. I don't lie...EVER!

Attached is a page from my letters of July 19 and August 5 that states:

From 1992 to 1996, I was President of Advanstar Expositions, a company owned at the time by Goldman Sachs. Advanstar was one of the largest producers of trade shows and conferences in the world. From 1996 to 2001, I was CEO of 1st Communications, a company owned by Bain Capital, Triumph Capital Group, and me.

That could not be any clearer! This was also provided on Page 1 of Tab 2 of the binder provided to you today.

The man seated next to Mr. Broadbent claimed I said Maid of the Mist had a 40-year federal government contract. This is false. Page 3 of Tab 4 of the binder says quite clearly:

"fraud in obtaining no-bid 40-year government contracts...."

On the CD-ROM provided in a dozen of the binders, the file titled "NY-Appeal-Record-Number-16-2011-07-09" includes copies of both contracts, and I attach the cover page,

signature page, and page that shows the terms of each. New York State is 40 years, issued in clear violation of New York law. I also have dozens of newspaper articles about these. See "Affidavit-of-Frank-Parlato" on the CD-ROM provided in a dozen of the binders. These contracts have been front page news in Canada. The Province of Ontario voided the contract, tendered it for competitive bids for the first time in 160 years, and fired the people involved. The New York contract should be voided in the next two months; it is in default now.

The woman seated to my immediate right said that I had filed frivolous lawsuits. I have done no such thing. Where did that information come from? Who told her that? It is naturally extremely disappointing to me that the Grand Jurors had been told false and disparaging information.

Mr. Broadbent, you stated that I had not provided proof of my charges. If you received the CD-ROM that I delivered last week, it is FILLED with the proof. Please identify anything that you want me to detail; I can prove anything.

When I return on Tuesday with my 20-page or less document and proof, I would like to actually be able to speak. I was not allowed to give my carefully-planned presentation today. But thanks so much for the invitation to return.

Sincerely,

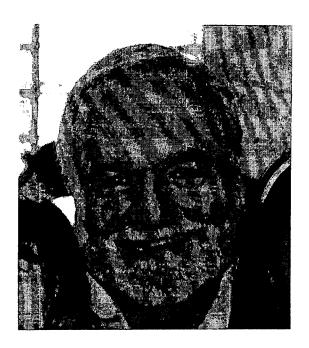

William M. Windsor

About Me - William M. Windsor

I am just a reasonably normal 62-year-old husband, father, and grandfather. Barbara and I have been married for 40 years. Our daughter has two girls, and our son has one.

I am best described as a serial entrepreneur. I have started over 50 companies in my 42-year career. I began my career as a junior at Texas Tech University in 1969. I became involved in the T-shirt business, and after eight years as a retailer, wholesaler, and manufacturer, I launched the trade magazine and trade show for the industry in 1977. I am considered by many to be the father of the multi-billion dollar "imprinted sportswear industry." I started other magazines and shows, and sold the company in 1981.

I have owned and/or operated many magazines and trade shows, travel businesses, retail stores, manufacturing companies, printing company, typesetting business, advertising agency, marketing companies, convention services businesses, souvenir and gift businesses, tourist attractions, resort businesses, music businesses, computer software company, a consulting company, a food franchise, internet businesses, and more. I have written numerous articles, books, training programs, and manuals. I have spoken at conferences and trade shows across North America and in Europe, Australia, and China.

From 1992 to 1996, I was President of Advanstar Expositions, a company owned at the time by Goldman Sachs. Advanstar was one of the largest producers of trade shows and conferences in the world. From 1996 to 2001, I was CEO of 1st Communications, a company owned by Bain Capital, Triumph Capital Group, and me. 1st Communications made a series of multi-million dollar acquisitions to build one of the largest trade show businesses -- the largest in terms of the number of annual events. 1st Communications also developed one of the first online job and resume businesses using a network of over 1,000 web sites. That business was sold to The Washington Post in 2001, and I "retired" to Atlanta, Georgia to be near grandchildren-to-be.

I discovered corruption in the federal courts in Fulton County, Georgia, and I will not stop until these judges are exposed and other citizens are protected from the corrupt courts. My friends will tell you that I am as tenacious as they come. I will spend the rest of my life on this if necessary.
