Dear Fulton County Elected Officials:

I have absolute proof of criminal acts and corruption by federal judges in Fulton County.

The Fulton County District Attorney's Office has referred me to you:

15-12-100. Procedure for impaneling special grand jury; number of jurors; foreman; powers of jury

(a) The chief judge of the superior court of any county to which this part applies, on his own motion or on petition of any elected public official of the county or of a municipality lying wholly or partially within the county, may request the judges of the superior court of the county to impanel a special grand jury for the purpose of investigating any alleged violation of the laws of this state or any other matter subject to investigation by grand juries as provided by law.

I request a brief meeting with you in which I can provide detail about my charges and answer any questions. I have massive proof, and I can list specific charges and hyperlink the evidence. The dishonesty and corruption of these judges has stolen my entire life savings. I was a multi-millionaire retired businessman, and I now have a negative net worth of over \$1,000,000.

Please have someone call me. I carry my cell phone at all times – 404-606-1885.

Sincerely,

William M. Windsor
