REQUEST FOR CONSENT TO FILE
EXPEDITED MOTION FOR CONFERENCE

William M. Windsor (“Windsor”) hereby files this REQUEST FOR CONSENT TO FILE EXPEDITED MOTION FOR CONFERENCE (“Motion for Conference”). Windsor shows the Court as follows:

1. Windsor’s Constitutional rights require that this Court grant a conference to discuss various issues.

2. Windsor has presented information to this Court indicating that his Constitutional rights have been seriously violated. This is a most serious matter that must be addressed.

3. In six years of litigation in the United States District Court for the Northern District of Georgia, Windsor has never been granted a conference and was granted only one TRO hearing. This Court has a Constitutional and judicial responsibility to conduct both a conference and hearings.

4. This Court has violated Windsor's Constitutional right to due process and the right to be heard.

5. Windsor is not an attorney, and he is acting pro se in this case. Windsor does not have the benefit of legal advice, and he is doing his own legal research and is preparing his own legal filings.

6. Because Windsor is pro se, and because of the possibility that the filings of a pro se party might be viewed with skepticism or that there are problems that Windsor is not aware of, Windsor respectfully requests a conference with this Court and the attorneys involved.

7. Because Windsor is pro se, and because of his desire to always comply with the Federal Rules of Civil Procedure and the Local Rules, Windsor respectfully requests a conference with this Court and the attorneys involved so he

can be sure that he never does anything improper. Windsor does not want to do anything wrong. He wants to comply with all the Rules, and he is doing the best that he can. A conference will give the judge the opportunity to discuss any issues that are important to the judge.

8. Since attorneys and pro se parties are not allowed to communicate with judges in any other manner, this motion is the proper procedure.

9. Windsor has stated repeatedly under oath, under penalty of perjury, and before a notary that he has never presented any motions for any improper purpose, such as to harass or to cause unnecessary delay or needless increase in the cost of litigation. Every motion that Windsor has filed has been supported by a sworn affidavit. Windsor will be happy to take another polygraph test to prove this.

10. All material facts are fully supported in the record. Everything has been sworn under penalty of perjury. Windsor's facts have not been controverted in any manner; the Defendants have not filed a single affidavit.

11. Windsor has no desire to harass the Defendants, their attorneys, or the judges. All he wants is to see them found guilty of their criminal acts. He also wants to see attorneys disbarred and judges impeached.

12. Because Windsor's limitations as a pro se party could place him at an improper disadvantage at any time, Windsor requests that this Motion be considered on an expedited basis.

13. Windsor has absolutely no desire to do anything that is a problem for the Court or that is not in keeping with what is expected. Windsor is, however, committed to seeing this travesty of justice corrected, and he plans to file everything that seems to be allowed under the rules and the law until a conference is held. Windsor hopes that a conference can streamline things for the Court. Windsor also hopes that a conference will allow Windsor an opportunity to appeal to the Court to allow a hearing where the wrongdoing can be definitively proven.

14. A lot of time, expense, and paper could be saved if the Court will hold a conference to discuss issues in this Civil Action.

WHEREFORE, Windsor respectfully requests that the Court do as follows:

- (1) grant this REQUEST;
- (2) allow Windsor to file a motion;
- (3) grant an Emergency Motion for Conference; and
- (4) grant such sanctions and other relief as the Court deems appropriate.

Submitted, this 16th day of September 2011.

A handwritten signature in black ink, appearing to read "William M. Windsor". The signature is fluid and cursive, with a horizontal line drawn underneath it.
