FILINGS ORDER NO. 23

These are pro se civil actions against the Clerk of this Court and various Judges of this Court and the Eleventh Circuit Court of Appeals and others. The Court notes that in a related case where the Plaintiff's appeal was dismissed as frivolous, the Court of Appeals described the Plaintiff's abuse of the judicial system as follows:

[The Plaintiff's] litigious behavior [has] undermined the integrity of the judgments and orders in this case. Although the case is closed, Windsor has repeatedly filed unsubstantiated, duplicative pleadings, many after the district court issued an order denying them. Moreover, his pleadings are long and repetitive, and the volume of his filings poses a burden to clerical and judicial operations and is an impediment to the administration of justice.

After review, permission to file the Motions to Strike received by the Clerk on October 14, 2011 is DENIED. The papers constitute attempted abuse of the judicial system. The claims are frivolous.

SO ORDERED, this 26 day of October, 2011.
