

We are at the courthouse today to help you, your family, and your friends. The people you see collecting signatures on a petition are supporters of GRIP, Government Reform & Integrity Platform. It's a simple group; we stand for just two things: (1) Honesty in Government and (2) Protection of the fundamental rights our forefathers established for us under the Constitution and the Bill of Rights.

GRIP is non-partisan, meaning we have no political affiliation. Supporters are Democrats, Republicans, Libertarians, Independents, and more. All we seek are government officials who tell the truth and protect our fundamental rights. This is a serious problem.

In the last six years, I have become an expert on judicial corruption and government corruption. I have undeniable proof of corruption by federal judges in Atlanta, judges with the Fulton County Superior Court, and the Fulton County District Attorney's Office. And no one will do anything about it.

I am just one of many people who are victims of the corruption here. Many of the people soliciting signatures on our petition are victims, too. If you have ever had dealings with judges and law enforcement in Atlanta, you very likely are a victim whether you know it or not. Quite often, the judges do not go by the facts or the law; honest people lose and often do not even know what happened.

Do you know anyone who was ever indicted by a Fulton County Grand Jury? Were you aware that the Grand Jury Room is locked inside the Fulton County District Attorney's Office? Were you aware that the Fulton County District Attorney's Office exerts improper influence on the Grand Jurors? It is my belief that anyone ever indicted by a Fulton County Grand Jury did not receive their rights to due process.

I believe Atlanta judges rob people of their hard-earned money; damage children and destroy families; allow the elder to be abused mentally, physically, and financially; deny due process to those committed of crimes; enable foreclosure fraud; favor the rich and the well-connected attorneys; always deny the rights of people representing themselves (now 1/3 of all parties in court). If you'd like to see proof of this and more, go to www.GetaGripAmerica.us or email me. We have significant proof from many victims.

This is a serious situation that requires that people like you and me do something. Please register to be a supporter of GRIP at www.GetaGripAmerica.us. It costs nothing. It simply gives us a way to communicate with you when it comes time to demand action from our government officials.

If you will volunteer to help us obtain signed petitions, please call me at 770-578-1094 or email Bill@GetaGripAmerica.us. If you have a story of dishonesty and corruption, please send it to me. If you know current or former court employees who might be willing to share what they know about the corruption, please ask them to contact me. And if you know anyone currently serving on a grand jury, PLEASE have them contact me. Please let us know if we can help you!
