Atlanta Film Production Company will record firsts with a Unique Film Project

Atlanta, GA – Whistleblower Productions has begun a unique film project that will record a number of firsts.

The movie will be filmed in all 50 states and DC during a 143-day, 16,508 mile road trip.

Filming will be done in every state capital. One documentary film is being produced and over 700 videos as the crew will be filming Congressional testimony from over 700 Americans. Radio-TV-Film students from universities have been invited to work on the film crew at their state capitol.

William M. Windsor is the Producer/Director for the project. Mr. Windsor said, *“We are not aware of another movie that has been filmed in all 50 states and DC in one trip. We will visit every Capitol. We are producing much more than a movie, and the work is being done by literally thousands of volunteers.”*

Local media is invited to attend filming in each U.S. city. The itinerary is available at
