On January 29, we sent you an invitation to one of several events that we have scheduled for February 5-6, 2013.

We have added another event on February 6 from 5:30 to 8:30 pm in the Capitol Visitor Center North and South Theaters. 30 victims of judicial corruption will speak in each of the theaters. We hope you and/or your staff will be able to attend.

Once again, you may also join victims of judicial corruption on February 6, 2013 for a special presentation of testimony to Congress. You and your staff are invited to attend a small session at the Rayburn Office Building, Room 2103 from 11 am to noon. A much larger group session with media will be held in the Arlington Ballroom at the Crowne Plaza National Airport Hotel, 1480 Crystal Drive, Arlington, VA from 2 to 5 pm. You will never be invited to a meeting that is more important to America!

For 217 days, I have traveled over 30,000 miles to every state filming people who have been harmed by judicial corruption and government corruption. Upon compiling over 1,000 hours of video testimonials from over 750 ordinary citizens from all across the United States, the **Lawless America** project provides overwhelming evidence that the Constitution and laws written by the Legislative Branch are being disregarded by the Judicial Branch of government. *This rampant disregard for the laws is captured in the video testimonials from every state in the nation.*

On February 5, hundreds of victims and advocates have appointments with their members of the House and Senate, and they will hand-deliver a DVD containing Congressional testimony from victims as well as proposed legislation to reform the legal system and the judiciary. On February 6, you can meet with hundreds of victims, hear the problems, and ask questions.

A documentary film titled **Lawless America** is being produced from the filming. Discussions are also currently underway that could lead to a weekly Lawless America network television show. **Lawless America** asks: Can 750 Nobodies save America? That's the goal of the project.

Our Constitutional rights are a mirage. There seems to be no one in government who will stand up against the evil-doers. Judges all across America regularly commit criminal acts and damage people because they have the power to do it. Judges answer to no one. We have lost what our founding fathers established for us. We have lost our fundamental rights. 750 nobodies and their families and friends have set out to save America. No guns, no violence, just a Jeep, cameras, microphones, and 750 everyday people telling their stories. We have not yet written the ending of the movie. We hope it will end with this Congress saving America.

Please join all the Nobodies on February 6. If you need more information, please email Nobodies@att.net; call 770-578-9074; and see [www.LawlessAmerica.com](http://www.LawlessAmerica.com).
