## Bill Windsor has filed Criminal Complaints against Allie Overstreet, Sean Boushie, Claudine Dombrowski, Elizabeth Hope Hernandez, Kimberly Wigglesworth, and Brannon Bridge

Monday, 25 February 2013 00:00 William M. Windsor

On March 12, 2013, Bill Windsor is headed to the police, sheriff, and court with new criminal charges to be filed and 16 gigabytes of evidence requested by the police.

Special charges and evidence are being presented against **Allie Overstreet aka Lori Overstreet aka Allie Loraine Yager Overstreet, Sean Boushie, Claudine Dombrowski** of the American Mothers Political Party, **Shannon Miller aka Elizabeth Hope Hernandez, Kimberly Wigglesworth, and Brannon Bridge.**

A judge is being asked to take special notice of the identity theft of my deceased father, Walter Windsor, and **the creation of a Facebook page showing my father in his death bed and his coffin at the funeral home following his death.** In my opinion, this and a previous fake death notice of a young boy are the work of Allie Overstreet and Mark Supanich.

These are two of the sickest things I can imagine anyone doing. These sickos are now threatening to publish photos of my mother (who died of breast cancer 35 years ago) having sex with my deceased father somehow.

Unfortunately, Georgia criminal statutes do not permit restraining orders against people who live elsewhere.

Criminal charges were previously made against Allie Overstreet, Mark Supanich, Sean Boushie, Claudine Dombrowski, Lorraine Tipton, Shannon E. Miller aka Elizabeth Hope Hernandez, Jennifer Herbert aka Jennifer Dotson, Kimberly Wigglesworth, Brannon T. Bridge, Connie Bedwell, Justin Thompson, Loryn Ryder, Cheryl Sosby, Gail Lakritz, L. Wilson, Lisa Jones, Trinity Baker, Diane Gochin aka Diane Rose aka Diane Rostesky, Curtis Butler, Edward Hernandez, Jay Roland, and others. There are more people to be named in criminal complaints when time permits, including Albert Fiorini, Dontae Givafuque, Jeff Swiney, Robert Coleman, and others.

### **Georgia Code Section 16-5-90: Stalking:**

(a)(1) A person commits the offense of stalking when he or she follows, places under surveillance, or contacts another person at or about a place or places without the consent of the other person for the purpose of harassing and intimidating the other person. For the purpose of this article, the terms

"computer" and "computer network" shall have the same meanings as set out in Code Section 16-9-92; the term "contact" shall mean any communication including without being limited to communication in person, by telephone, by mail, by broadcast, by computer, by computer network, or by any other electronic device; and the place or places that contact by telephone, mail, broadcast, computer, computer network, or any other electronic device is deemed to occur shall be the place or places where such communication is received. For the purpose of this article, the term "place or places" shall include any public or private property occupied by the victim other than the residence of the defendant. For the purposes of this article, the term "harassing and intimidating" means a knowing and willful course of conduct directed at a specific person which causes emotional distress by placing such person in reasonable fear for such person's safety or the safety of a member of his or her immediate family, by establishing a pattern of harassing and intimidating behavior, and which serves no legitimate purpose. This Code section shall not be construed to require that an overt threat of death or bodily injury has been made.

Sick people have published lies, doctored photographs, threatened violence, posted sensitive personal information, e-mailed damaging statements to many people, and are manipulating search engines to make damaging material about me more prominent. I fear for my safety and the safety of my family. I am in fear of bodily harm to myself and my family, violent injury to my property, and more.

My complaint is for stalking, harassment, harassing communications, threats (including death threats or veiled threats of bodily harm by four people).

There is absolutely no question that these people have followed me online and contacted me online for the purpose of harassing and intimidating me. They have attempted to terrify, threaten, harass, annoy, and offend me with lewd and profane language, lewd and lascivious acts, threats to inflict physical harm, and more.

The stalking includes the making of false accusations and false statements. These include that I am a pedophile, a pedophile lover, anti-gay, bigoted, a tax evader, a criminal operating a scam, and much more.

The stalking includes monitoring, as the stalkers claim to be tracking my Internet activity. Some stalkers participate in my online radio talk shows to monitor and/or to disrupt the calls and the online chat. The monitoring includes repeated online posts of libelous, threatening, harassing statements.

I fear identity theft as they say they have my social security number, address, date of birth, and much more.

The libel and slander is truly unbelievable. These stalkers invent one false claim after another. People who I don't know make statements in writing that have no truth whatsoever and can be easily proven to be false. It's like they feel they can say anything and get away with it.

The stalkers have repeatedly violated my privacy rights and copyright by using photos and videos of me that they have no legal right to use. Photographs of me have been doctored. Absolutely sickening videos have been produced about me. The worst is one that has one scene after another of feces – big piles of shit in various settings – and it's all attacking me.

They have created fake blogs about me containing defamatory content.

It would take a team of people full-time to capture all the stalking and slander. I have 16

gigabytes of evidence, but I;m sure there is a lot of information that has not been communicated to me.

I have civil charges that I intend to bring against these folks and many others. I hope to complete that complaint this week. I will post the entire complaint and the evidence online for all to see.

I say to all of the people cybertalking me, slandering me, libeling me, defaming me, etc., **CEASE AND DESIST**. I consider your actions to be both criminal and civil violations, and I intend to file criminal charges against each of you. I also plan to file a civil action against each of you. And you will be featured in one of two new movies, Slanderella or Slanderfella.
