Debra, I called Reservations and added Sunday.

Will you be able to comp my room and/or upgrade to the largest suite you have? As a trade show and conference producer for 25 years (in the old days), we used to get comped or at the very least, one room per x number of room nights.

Hi Debra.

How many did we end up with? It looks like it will be Standing Room Only in the Arlington Ballroom. The Senate gave us two 250-seat theaters for our presentations the night of the 6th, and we added 60 speakers in a day.

When do you have me arriving and departing?

We have been speaking with the various police. We have hired one officer to be with us at the hotel all day three days.

Bill
