RE: Writ of Habeas Corpus

Dear Mr. Windsor,

The Ellis County District Clerk's office received the document: Application for Writ of Habeas Corpus Seeking Relief from Denial of Process and Seeking Relief from Confinement in Ellis County Jail, from you on Friday, November 21, 2014 in the mail. Unfortunately, I cannot process this document in our office because it is not a case in our jurisdiction. Therefore, I am returning the document to you so that you can submit it to the proper jurisdiction.

My office also received the document: Request for Leave to Appeal Court's Ruling on Plaintiff's Motion to Declare Plaintiff is not a Public Figure, regarding Cause number 88611 on Friday. You cover letter requests that we make several copies of various documents and charge them to your inmate account. Please be aware the District Clerk's office cannot charge anything to your inmate account.

Sincerely,
Melanie Reed, Ellis County District Clerk

Mary Hinds, Deputy Clerk
