Mr. I never posted anything about a gun...

Bill Windsor I don't dare bring my gun along anymore. I'm a Pepper Spray - StngunSlinger.

Bill Windsor There's a police report on file that says I am a serial kilelr and mass murderer. It's especially tough because the laws vary from state to state about when you can and can't have a gun in your car. The above should read StunGunSlinger. Missed a u.
