I, Sean M Boushie a resident of Ravalli County Montana, would request a temporary order of protection against William Windsor, aka "John Jones" a legal resident of Marietta Georgia, or Box Elder South Dakota, also believed to be currently homeless. Residing at the Marriot courtyard hotel room 402.

I have been harassed, intimidated and stalked online by Mr. Windsor for approximately two years. The harassment and intimidation by Mr. Windsor is generally directed and received at my place of employment, The University of Montana. He claims to be making a documentary about me and accuses me of being a state paid cyber stalker.

I have never spoken to Mr. Windsor. I have never emailed Mr. Windsor, contrary to his claims.

My only communication with Mr. Windsor was a cease and desist letter sent to his now ex-wife regarding his harassment on her website, lawlessamerica.com. Mr. Windsor ran the website; his wife was the legally registered owner.

Mr. Windsor also harasses and intimidates me on his websites, www.seanboushie.com, and www.lawlessamerica.org, as well as several facebook accounts, billwindsor1, lawlessamerica, and lawlessamerica-montana.

Until recently Mr. Windsor's harassment was entirely cyber. However as of 8/5/2013, Mr. Windsor has traveled to Missoula, Montana to stalk, threaten, harass, and intimidate me in person. He has repeatedly been spotted near my home, and my place of employment, where he has no legal business. He claims to be carrying a firearm, per his denied request for a top in Ravalli county, and has posted photos of himself wearing a bullet proof vest, insinuating that he intends to be involved in a shootout with me or police.

He has been found at my home on three separate occasions where he took photos of my home, my vehicle, my mailbox, and my road sign. He then posted these photos on his many accounts to taunt and intimidate my wife and me to make us fear for our safety in our own home. (Pictures attached)

Mr. Windsor has for the last six months emailed hundreds of my coworkers hundreds of times each making false claims that I was going to kill him, that I was stalking him, that I have tried to kill him, and that I was the antagonist against him. These emails were sent to all staff and faculty at the University, many students, the board of regents, law enforcement in other counties, casual friends, and elected officials, ect. (Copies of emails attached.)

In summary, I would ask that the court award me this temporary order of protection based on the following.

45-5-220. Stalking -- exemption -- penalty. (1) A person commits the offense of stalking if the person purposely or knowingly causes another person substantial emotional distress or reasonable apprehension of bodily injury or death by repeatedly:

Mr. Windsor for the last six months has repeatedly caused my wife and me substantial emotional distress with his repeated emails and threats to have me confined and arrested.

His repeated occurrences at my home and posting of the photos of my home have caused me fear of bodily injury.

I have missed many days of work in the last two weeks in order to avoid Mr. Windsor.

I have avoided coming to this court to file this petition for fear I would encounter him.

I have lost many hours of sleep remaining awake to guard my home at night.

Mr. Windsor has repeatedly followed and intimidated me, by driving by my home, and coming to my workplace.

I would plead with the court for relief.
