Mr. Windsor:

I am out this week. We can meet next week to review discovery. You are not entitled to depositions in criminal cases but we can discuss setting up witness interviews.

thank you

Jen

Ms. Clark:

As you requested:

I am at the Staybridge Suites, 120 Expressway, Missoula, MT 59808. Room 417.

I will be at the courthouse at 10 am for the jury drawing.

If there is more than 14 pages of "evidence," please provide it at that time. I will file a motion asking the court to restrict your evidence to only those 14 pages.

I'd like to depose all of your witnesses this week or early next week. Please provide dates so I may submit the requests to the court.

Thank you.

William M. Windsor
