MONTANA FOURTH JUDICIAL DISTRICT COURT, MISSOULA COUNTY

STATE OF MONTANA, Plaintiff, vs. WILLIAM M. WINDSOR, Defendant	Cause No. DC 2014-509 Department No. 3 ORDER LIFTING STAY
--	--

Defendant William Windsor ("Windsor") filed a *Notice of Filing of Notice of Appeal* (Doc. #81) on June 18, 2015 in this case. Windsor contended that he had filed a Notice of Appeal "of the decision of the Chief Justice denying William M. Windsor's Second Motion to Disqualify Judge James A. Haynes."

This Court thereupon issued orders staying further proceedings pending the outcome of Windsor's appeal. (Docs. #83, #94): No other course of action was proposed by the State of Montana ("State").

The State and Windsor observed the Court's stay orders, it can best be said, by disregarding them. Both the State and Windsor also failed to keep this Court apprized of the status of the appeal filed by Windsor in the United States District Court (Missoula Division) CV 15-107-M-DLC-JCL.

This Court has learned that on August 20, 2015, U.S. Magistrate Judge, the Hon. Jeremiah C. Lynch, issued a recommendation that Windsor's "action should be dismissed."

This Court therefore ORDERS LIFTED any stay of the proceedings in this Montana Fourth Judicial District Court Cause No. DC 2014-509.

Moreover, as numerous motions were filed in disregard of the Court's stay order and remain pending, and trial is set to commence on September 28, 2015, any response or reply to motions already filed and must be filed by Monday, September 14, 2015 at 5:00 p.m., else they will be disregarded by the Court. Any motions raising new matters filed at any time will be disregarded by the Court.

DATED this 9th day of September, 2015.

HON. JAMES A. HAYNES, District Judge
