

CAUSE NO. 90744

State of Texas	§	443rd Judicial District Court
v	§	
William M. Windsor	§	Ellis County Texas

AFFIDAVIT OF WILLIAM M. WINDSOR DATED JUNE 3, 2016

I, William M. Windsor, the undersigned, hereby declare under penalty of perjury:

1. I am over the age of 21, a living person, am competent to testify, and have personal knowledge of the matters stated herein.
2. This Affidavit (“AFFI-2016-06-03”) is provided in support of the Motion for Sanctions and Criminal Charges against Ellis County Texas District Attorney Patrick Wilson and the State of Texas and for use in any legal matter and in the disciplinary action filed against Ellis County Texas District Attorney Patrick Wilson with the State Bar of Texas. Some evidence is also provided in the Affidavit of William M. Windsor dated May 9, 2016 (“AFFI-2016-05-09”) and the Affidavit of William M. Windsor in support of Sanctions and Criminal Charges (“AFFI-SANCTIONS”), referenced and incorporated herein as if attached hereto.
3. On August 4, 2013, I drove to Missoula, Montana to film an expose about Sean B**shie, the University of Montana, and the cover-up of Sean B**shie’s crimes. This was to be done for the documentary and for the pilot for a proposed weekly television show. I went to Montana with the belief that Sean

B**shie gets away with crimes while stalking people for one of two reasons. I believe he may be paid by government entities to do what he does, or he may have sexual blackmail on someone. This theory was developed after a background search revealed that the email address that Sean B**shie most uses is missoulagloryholefun@yahoo.com. A glory hole is a hole in the stall divider in a public restroom through which deviants have anonymous sex. [NOTE: ** = ou.]

4. As I drove from Butte, Montana to Missoula, a car ahead and to the right of my car burst into flames and smoke. When I reached my hotel that evening, I received an email from Sean B**shie stating that he had shot at me, missed, and hit the car next to hme.

5. I took the email, photographs of the smoke-filled highway, and evidence of hundreds of crimes by Sean B**shie and reported the shooting and other crimes of Sean B**shie to the Missoula Police Department, University of Montana Police Department, Ravalli County Sheriff's Department, Stevensville Police Department, and the FBI. Nothing was done.

6. I attempted to get protective orders against Sean B**shie, but the courts denied them in a manner that indicated that the courts were intentionally protecting Sean B**shie. I unsuccessfully petitioned the Ravalli County Justice Court, the 21st Judicial District Court in Ravalli County, the Missoula Municipal Court, and the Fourth Judicial District Court in Missoula County Montana.

7. I have proven that Sean B**shie had sent me approximately 80 stalking emails and has published approximately 600 stalking comments online. The evidence is in the Fourth Judicial District Court, Dept. 3, Missoula County Montana, Case # DC-14-503 and DC-14-509.

8. On August 23, 2013, while completing filming at the center of the University of Montana campus, I was served with an ex parte Temporary Order of Protection in favor of Sean B**shie. It was obtained based on outrageous lies by Sean B**shie. I did nothing but film while in Missoula, and he was registered with the Montana Film Commission, the University of Montana, and the City of Missoula. I had presented 500 pages of sworn evidence about Sean B**shie's crimes, and no one did a thing. But Sean B**shie lied and claimed my filming was stalking, and he got a protective order. What has happened since provides absolute proof that Sean B**shie and the Joeyisalittlekid Gang are being protected in their unlawful and criminal activities.

9. Sean B**shie swore to Judge Sam Warren in the Missoula Municipal Court that I had a gun in Montana and was threatening him with it. I had no gun, and my ex-wife can prove it. I never threatened Sean B**shie; he threatened me over 100 times.

10. There was never a hearing to try to convert the ex parte Temporary Order of Protection to a permanent order, and the Temporary Order of Protection expired in mid-September 2013.

11. On December 26, 2013, I drove to Ellis County Texas where I filed a lawsuit, Case #88611, in the 40th Judicial District Court in Ellis County Texas. I am the plaintiff. There are 16 named defendants and 1,000 unnamed defendants. Unknown to me at the time, some of the defendants are donors to campaigns of elected Ellis County officials, including the judge assigned to the case, Judge Bob Carroll, Ellis County Texas District Attorney Patrick Wilson, and Ellis County Texas Sheriff Johnny Brown.

12. Upon information and belief, the Missoula County Attorney's Office conspired with the Ellis County District Attorney's Office and attorney Barbara Hachenburg who represented one or more of the defendants in Case #88611, to manufacture charges against me so they could claim I had committed felonies and could be extradited to Montana if arrested in Texas. An important part of the scheme was to keep me locked up and denied legal files, access to a law library, and virtually every tool needed to prosecute my civil cases. Ellis County Texas Judge Bob Carroll and Ellis County Texas Judge Joe Grubbs were part of this scheme, and they dismissed my legal actions against their political supporters and hit me with approximately \$300,000 in damages. Upon information and belief, the

actions of Ellis County Texas Judge Bob Carroll and Ellis County Texas Judge Joe Grubbs were orchestrated by Ellis County Texas District Attorney Patrick Wilson. My Case #88611 could have resulted in a multi-million dollar award as it is the largest case of defamation in U.S. history.

13. On October 28, 2014, I was unlawfully incarcerated in the Ellis County Texas jail on an extradition hold for Montana on charges of alleging violating the bogus protective order that expired in September 2013. I was detained by Ellis County Sheriff's Deputies after I left a hearing in Case #88611 that had Ellis County Texas District Attorney Patrick Wilson and Ellis County Texas Sheriff Johnny Brown, and a small army of deputies strangely in the gallery of the unimportant hearing.

14. I was granted a \$100,000 bond and given the opportunity to post bond for "violations of a protective order." No details were given.

15. I arranged a bond through two different bail bond companies, but Ellis County refused to accept them claiming I had to go to Montana before he could obtain a bond. There is no such law anywhere in America.

16. At 10:21 am on October 29, 2014, I was "arraigned." I was not given the opportunity to speak. The Justice of the Peace/Magistrate told me that my bond was set at \$100,000. The hearing was neither recorded nor videotaped. I was not told that I had the right to contest the "arrest." No time was set for a writ of

habeas corpus. I was never told that I had such a right. I was not directed to a court of record for the purpose of obtaining such a writ. Each of these are things that I later learned are required by law.

17. After I was finally given brief access to a law library, I filed a Petition for Writ of Habeas Corpus seeking my release.

18. On November 21, 2014, I appeared before Judge Cindy Ermatinger of the Ellis County District Court. I thought it would be a hearing on my Habeas Corpus Petition, but it was to ask if I wanted to waive extradition. I refused, as I advised the Ellis County Texas Jail on October 28, 2014. I asked why my Texas bond was refused, and Judge Ermatinger said she didn't know and could do nothing about it. Judge Ermatinger did sign an "Extradition Pending Order," and a true and correct copy of this that was given to me is attached hereto as Exhibit 7. [A true and correct of the Transcript of the November 21, 2014 Hearing that I purchased and obtained from court reporter Kelly Pelletier is Exhibit 14 hereto.]

19. Judge Cindy Ermatinger told me that she did not have the authority to hear my Petition for Writ of Habeas Corpus on my unlawful incarceration. When asked who did, she said "judges in Montana."

20. Ellis County Texas Judge Cindy Ermatinger refused to release me at hearings on November 21, 2014, November 25, 2014, and December 5, 2014.

21. On November 27, 2014, I demanded my release after 30 days in the Ellis County Jail pursuant to TCCrP Article 51 section 15. I was not released.

22. On December 5, 2014, a hearing was held before Judge Cindy Ermatinger. Attorney Juanita Edgecomb had to ask to reset it when Ellis County Texas District Attorney Patrick Wilson appeared and argued that I was a fugitive from justice after committing a crime in Missoula, Montana on December 30, 2013. This was false and information that was not provided by Assistant Ellis County Texas District Attorney Jake Heffernan on November 21, 2014 or Ellis County Texas District Attorney Amy L. Lockhart Assistant on November 25, 2014. Upon information and belief, Ellis County Texas District Attorney Patrick Wilson told Assistant Ellis County Texas District Attorney Jake Heffernan and Assistant Ellis County Texas District Attorney Amy L. Lockhart to lie about what the District Attorney's Office had in its files. [A true and correct of the Transcript of the December 5, 2014 Hearing that I purchased and obtained from court reporter Kelly Pelletier is Exhibit 15 hereto.]

23. On December 11, 2014, I filed a First Amended Petition for Writ of Habeas Corpus. The First Amended Petition for Writ of Habeas Corpus sought discharge, bail and/or bail reduction, and challenged the legality of arrest pursuant to Article 51 of the TCCrP.

24. On December 16, 2014, I prepared a Notice of Appeal that was file stamped December 17, 2014. This Notice of Appeal appealed the denial of bail at a hearing on December 2, 2014; the failure of Ellis County Texas Judge Cindy Ermatinger to release him at hearings on November 21, 2014, November 25, 2014, and December 5, 2014; the denial of hearings; illegal detainment, illegal incarceration, illegal denial of bond, and illegal denial of release pursuant to Article 51, Section 15. [A true and correct of the Notice of Appeal that I personally filed and photocopied is Exhibit 16 hereto.]

25. On December 19, 2014, a hearing was held in Case #14-158. Judge Cindy Ermatinger agreed to release me and told me to surrender myself to authorities in Montana or be at a hearing in Judge Cindy Ermatinger's Court on January 21, 2015. [AFFI-2016-05-09, ¶6, 7.] Both Ellis County Texas District Attorney Patrick Wilson and Assistant Ellis County Texas District Attorney Ann Montgomery-Moran participated in the hearing. [AFFI-SANCTIONS, ¶4.] [A true and correct of the Transcript of the December 19, 2014 Hearing that I purchased and obtained from court reporter Kelly Pelletier is Exhibit 1 hereto.]

26. Judge Cindy Ermatinger discussed my severe claustrophobia and encouraged me to go to Montana to avoid a cross-country trip in chains.

27. The Transcript of the Hearing establishes that Ellis County Texas District Attorney Patrick Wilson was in the courtroom. [Exhibit 1, PP. 2, 3, 9-15,

33-39, 43-44, 47-51, 55-59.] The Transcript of the Hearing establishes that Assistant Ellis County Texas District Attorney Ann Montgomery-Moran was in the courtroom. [Exhibit 1, PP. 52-58.]

28. Tabitha Smith, James Cook, Terry Ogden, Cheri Lujan, and Johnny Brown did not attend the December 19, 2016 Hearing before Judge Cindy Ermatinger in Cause #14-158. They did not witness me signing documents in Judge Cindy Ermatinger's courtroom on December 19, 2014.

29. At the December 19, 2014 Hearing, Assistant Ellis County Texas District Attorney Ann Montgomery-Moran instructed both Judge Cindy Ermatinger and me on the signing of the documents. [Exhibit 1, PP. 52.] The documents to be signed were given to Judge Cindy Ermatinger by Assistant Ellis County Texas District Attorney Ann Montgomery-Moran.

30. Assistant Ellis County Texas District Attorney Ann Montgomery-Moran made it absolutely clear that the documents that I executed in Judge Cindy Ermatinger's courtroom had to be approved by the sheriff when the documents got to the sheriff's department at the jail after I signed at the jail in front of a deputy. [Exhibit 1, P. 52 Lines 15-18, P. 57 Lines 1-20.] Assistant Ellis County Texas District Attorney Ann Montgomery-Moran stated: "And I did let the Chief know when he gets to the jail. There will be a space he needs to sign and then the jail needs to approve that."

31. Assistant Ellis County Texas District Attorney Ann Montgomery-Moran discussed the second document that I executed in Judge Cindy Ermatinger's courtroom. [Exhibit 1, P.52 Lines 19-25, P.53 Lines 1-15.]

32. Assistant Ellis County Texas District Attorney Ann Montgomery-Moran and Judge Cindy Ermatinger discussed making copies of the documents that I executed in Judge Cindy Ermatinger's courtroom. Judge Cindy Ermatinger made a copy for herself and one for me, plus two additional copies. This means there are three copies in addition to my copy that prove what was and was not signed in Judge Cindy Ermatinger's courtroom and prove that what was signed included pages that Ellis County Texas District Attorney Patrick Wilson has concealed from the court and the grand jury, Judge Cindy Ermatinger, Ada County Idaho, Missoula County Montana, law enforcement, and various courts. The Transcript shows that Assistant Ellis County Texas District Attorney Ann Montgomery-Moran took the original three-page document. She knew it was not fully executed, and she knows what she has presented to the Court in this case is a fraud. [Exhibit 1, P.59 Lines 7-22.]

33. On December 19, 2014, I signed the so-called "Bond." [AFFI-2016-05-09, ¶¶8, 9, 10, 11.] It was signed by me as "Principal" at the Defendant's counsel table in the courtroom and was neither witnessed by nor accepted by the Ellis County Jail. There is no signature for the Surety. It was "witnessed" by

Assistant Ellis County Texas District Attorney Ann Montgomery-Moran who showed me where to sign. [Exhibit 1, PP.51-52, P.59 Lines 8-21.]

34. On December 19, 2014, I signed two documents at the Defendant's Table in Judge Cindy Ermatinger's courtroom. As the Defendant in Cause #14-158, I signed the "Order of Release in Criminal Proceeding Subject to Outstanding Warrants, Holds and/or Bond." [Exhibit 2 hereto is a true and correct copy of the "Order of Release in Criminal Proceeding Subject to Outstanding Warrants, Holds and/or Bond" that I signed and was given a copy of by Judge Cindy Ermatinger.] This was signed by Judge Cindy Ermatinger and me as the Defendant.

35. The second document that I signed at the Defendant's counsel table in the courtroom was an "Extradition Appearance Bond." It was signed by me as "Principal." It was neither witnessed by nor accepted by the Ellis County Jail. The only people who saw me sign were Ellis County Texas District Attorney Patrick Wilson, Assistant Ellis County Texas District Attorney Ann Montgomery-Moran, Judge Cindy Ermatinger, Melissa Butler, and Court Reporter Kelly Pelletier. [Exhibit 3 hereto is a true and correct copy of the "Extradition Appearance Bond" that I signed just above the printed title "Principal's Signature or Mark." I was given a copy of this by Judge Cindy Ermatinger.]

36. Exhibits 2 and 3 hereto are the two documents that were photocopied and given to me by Judge Cindy Ermatinger before I left her courtroom on December 19, 2014. I was given these at the same time as if one document.

37. The State concealed the “Order of Release in Criminal Proceeding Subject to Outstanding Warrants, Holds and/or Bond” and page 2 of the “Extradition Appearance Bond.” [Exhibit 4 hereto, a true and correct copy of Exhibit A to the State’s Response to Motion for Summary Judgment that was sent to me by Assistant Ellis County District Attorney Ann Montgomery-Moran.] On Page 1, Section II of the “State’s Response to Defendant’s Motion for Summary Judgment” dated April 7, 2016, Exhibit A is identified as “Affidavit and Bond signed on December 19, 2014.” The State has falsified these documents. Exhibits 2 and 3 hereto were signed in front of the State’s Attorney; Ann Montgomery-Moran held them in her hands and took the originals at the conclusion of the Hearing. Ann Montgomery-Moran knows she has filed fraudulent documents in this case and that she has committed crimes in the prosecution of this action. Judge Cindy Ermatinger knows as well. I never saw Exhibit A to the State’s Response to Motion for Summary Judgment or any other documents until the forged copy of an alleged “Bond” (Exhibit 4) surfaced when I was incarcerated in 2015 in Missoula, Montana and until he received the “State’s Response to Defendant’s Motion for Summary Judgment” dated April 7, 2016.

38. Judge Cindy Ermatinger gave me a copy of everything signed in her courtroom on December 19, 2014. Ellis County Texas District Attorney Patrick Wilson and Assistant Ellis County Texas District Attorney Ann Montgomery-Moran saw what I was given, and Ellis County Texas District Attorney Ann Montgomery-Moran was given the originals of the documents.

39. On December 19, 2014, the Ellis County Jail released me without having me sign anything except a receipt for my money balance and a receipt for my clothes. I later wrote to Judge Cindy Ermatinger to ask whether the Personal Recognizance Bond was valid since I was told that I would need to sign bond paperwork at the jail. There was no response. [Exhibit 8 hereto is a true and correct copy of the letter to Judge Cindy Ermatinger that I personally sent to her that was docketed by the Clerk of the Court.]

40. On December 19, 2014, after leaving the jail, I went to the Clerk of the Court where he filed a "Notice of Change of Address for Legal Mail" with the Clerk of the Court. Exhibit 9 hereto is a true and correct copy of this Notice which shows my address to be "P.O. Box 150325, Dallas, TX 75315, 770-578-1094, windsorinjail@yahoo.com. Note that no fax number was given as a means of communications.

41. On December 29, 2014 at approximately 11:00 am, I went to the United States Post Office to pick up my mail. There was no mail from the Court,

the District Attorney, or the State of Texas. I had received no phone calls from this Court or the State. I had not received any emails from this Court or the State. Nothing was received from my South Dakota mail forwarding service either.

42. On December 29, 2014, I completed my packing and headed out of Texas for Montana.

43. Late in the afternoon on December 29, 2014, I was told by a sibling in Florida that there may be a hearing scheduled regarding me on December 30, 2014.

44. On December 29, 2014 just moments before 5:00 pm, I called and spoke with Judge Cindy Ermatinger's Coordinator, Melissa Butler. She informed me that the State had requested a hearing. I told her that I was on the way to Montana and would be unable to attend, and I told her that I had received absolutely no notice of the hearing. Melissa Butler did not tell me what the hearing was to be about. I told her that I could only participate by telephone. Judge Cindy Ermatinger had requested confirmation of my telephone number at the December 19, 2014 hearing, as the Transcript confirms. [Exhibit 1.]

45. I drove to Oklahoma City Oklahoma. I was headed to Montana as discussed with Judge Cindy Ermatinger as she clearly stated was one of the two options for me.

46. The morning of December 30, 2014, I drafted a Motion to Cancel Hearing and Motion for Continuance. At 11:34 am, two hours before the alleged

hearing, I emailed this to the Clerk of the Court, Melanie Reed, for filing, and immediately thereafter, I emailed it to Attorney Juanita Edgecomb in Waxahachie. Exhibit 10 hereto is a true and correct copy of the email to Melanie Reed and the Motion to Cancel Hearing and Motion for Continuance that I sent.

47. I was not called by the Court on December 30, 2014 or at any time. I have never received a notice about a December 30, 2014 hearing.

48. Attorney Juanita Edgecomb did attend the December 30, 2014 Hearing. She reported to me that Judge Cindy Ermatinger said I violated the “Bond” by not appearing for the hearing. Attorney Juanita Edgecomb informed me that Ellis County District Attorney Patrick Wilson told the Court that he had sent notice of the hearing to my “last known address,” a fax machine at the Marriott Courtyard in Richardson, Texas. This was a total fabrication. Ellis County District Attorney Patrick Wilson claimed he had a fax confirmation. Attorney Juanita Edgecomb informed me that Judge Ermatinger indicated I was told to keep my address current and the Marriott was the address provided so that is where they sent notice. Attorney Juanita Edgecomb informed me that Judge Ermatinger also stated that I was to inform the Court of my intent to go to Montana if that was my plan and that I never informed them prior to the hearing of my intent to go so she decided to forfeit the bond.

49. What Juanita Edgecomb reported to me contained many false statements by Judge Cindy Ermatinger and Ellis County District Attorney Patrick Wilson. It also included hearsay as well as omissions by Court Coordinator Melissa Butler. The Bond did not require me to attend any hearings except the January 21, 2015 hearing that was later canceled. Ellis County District Attorney Patrick Wilson did not send notice of the hearing to me in any manner and certainly not to my last-known address, to my email, to my PO Box, or to my South Dakota address, each of which had been provided to him, and Ellis County District Attorney Patrick Wilson never called me at the phone number I gave in court on December 19, 2014 and on various letters and filings sent to him. The Desk Clerk at the Marriott Courtyard in Richardson told me on December 30, 2014 that no fax had been received for me and no mail had been received. I never gave a fax number at a hotel or anywhere else as a means to send me legal notices. The Transcript of the December 19, 2014 Hearing shows that the Court did not tell me that I was to inform the Court of my intent to go to Montana. I did inform Court Coordinator Melissa Butler on December 29, 2014 that I was headed to Montana. In addition, I emailed Clerk of the Court Melanie Reed the morning of December 30, 2014 with the Motion to Cancel and Motion for Continuance (Exhibit 10) that clearly states that I was headed to Montana to surrender. This Court was informed by that filing.

50. Upon information and belief, Ellis County Texas District Attorney did not want to notify me of the hearing. He could have easily reached me. He wanted to set me up so he could claim that I failed to appear so he could get a warrant for my arrest and have a way to get me incarcerated again.

51. My story and my plans to surrender in Montana had been publicized online. Exhibit 11 hereto includes true and correct copies of articles that have been published on www.LawlessAmerica.com since I was released from the Ellis County Jail on December 19, 2014. Note the December 28, 2014 article in which it stated "...likely have to turn himself in by January 20 in Missoula, Montana," and "Bill Windsor very well may be destined to die in a Montana prison." Note the December 29, 2014 article at 5:51 pm where I wrote about the surprise hearing that I did not receive notice of; I wrote that I would attend by phone and explained the terms of the PR bond which required either that I attend the January 21, 2015 hearing or surrender in Montana. Note the December 30, 2014 article titled "Bill Windsor is Alive and Well between Dallas, Texas and Missoula, Montana" that says "I'm still heading to Montana." Note the January 1, 2015 article that says I was "en route to Missoula, Montana."

52. Ellis County Texas District Attorney Patrick Wilson had a legal obligation to provide notice of a hearing, but I received no notice of a hearing on December 30, 2014. I prepared and filed a "Motion to Cancel and for Continuance"

within two business hours after he was informed by a sibling that a hearing might be taking place on December 30, 2014. This Court was wrong to ignore this Motion. This Court had a legal and ethical obligation to consider this motion. Article 1.05 of the TCCrP provides that I had the right to be heard, and Article 1.051 provides that I had the right to be heard through counsel. These rights were denied.

53. On December 30, 2014, in Case #14-158, Judge Cindy Ermatinger forfeited my so-called “Bond” because I did not appear at the hearing. A Judgment NISI was issued. The Judgment NISI shows me as “Defendant/Principal/Surety.” The judgment is for \$100,000 based upon the fraudulent document that Ellis County Texas District Attorney Patrick Wilson and Assistant Ellis County Texas District Attorney Ann Montgomery-Moran presented to Judge Cindy Ermatinger. [AFFI-2016-05-09, ¶¶62, 64.]

54. The Court’s rulings on December 30, 2014 were based upon false allegations. At least four key facts were falsely stated at the December 30, 2014 Hearing. These are proven false by the December 19, 2014 Transcript.

55. I was instructed that I was to appear for a hearing on January 21, 2015 or go to Montana and surrender myself. I did precisely as directed, so I did not do anything wrong by not appearing in Texas on December 30, 2014.

56. On January 14, 2015, I was indicted by the Ellis County Grand Jury for the crime of felony bond jumping. I did not commit a crime. Ellis County Texas District Attorney Patrick Wilson and Assistant Ellis County District Attorney Ann Montgomery-Moran maliciously filed these bogus criminal charges against me using a fraudulent bond. Judge Cindy Ermatinger has conspired with them, and she will do anything to aid them in their criminal activities.

57. On January 21, 2015, a capias warrant was issued for me. I did not commit a crime. Ellis County Texas District Attorney maliciously filed the bogus criminal charges against me based upon the fraudulent document that Tabitha Smith, James Cook, Terry Ogden, Cheri Lujan, and Johnny Brown signed claiming they witnessed me.

58. On February 19, 2015, I was incarcerated in the Ada County Idaho Jail. I was held there until March 25, 2015. Ellis County Texas District Attorney arranged for my detention in Idaho based upon the document that Tabitha Smith, James Cook, Terry Ogden, Cheri Lujan, and Johnny Brown signed claiming they witnessed me.

59. I was incarcerated based upon lies and false information communicated by Ellis County Texas District Attorney Patrick Wilson. He had all of my personal property confiscated and my vehicle was seized and searched without a search warrant. He told Ada County Idaho law enforcement that

everything I has was needed as evidence for Texas. This is ridiculous. What he wanted to do and accomplished, was to keep me from having access to means to use to post bail.

60. On March 25, 2015, I was transported from the Ada County Idaho Jail in Boise, Idaho to the Missoula County Detention Center in Missoula, Montana. Ellis County Texas District Attorney arranged, in part, for my detention in Montana based upon the document that Tabitha Smith, James Cook, Terry Ogden, Cheri Lujan, and Johnny Brown signed claiming they witnessed me. I was held in Montana on a \$1 million bond that Ellis County District Attorney Patrick Wilson set up in Texas. It was not valid for an extradituion hold in Montana, but he conspired with his friends there to deny me any access to documents or to a judge to argue my case.

61. The State has even used bogus copies of the "Indictment." On June 1, 2016, I obtained a copy of the Indictment issued against me. [Exhibit 5 hereto is a true and correct copy of the Indictment that the Clerk of the Court provided along with her communications related thereto.] [Exhibit 6 hereto is a true and correct copy of the Indictment that the State previously used in a 2015 Montana court filing.] Note that Ellis County Texas District Attorney Patrick Wilson and Assistant Ellis County District Attorney Ann Montgomery-Moran used a bogus copy of the Indictment.

62. On May 9, 2015, I was released on bond from the Missoula County Detention Center.

63. On May 9, 2015, I was released on bond from the Missoula County Detention Center.]

64. On June 1, 2015, I sent a Petition for Writ of Habeas Corpus for filing to the Clerk of the Court in this case. It was filed. The State never responded. Judge Cindy Ermatinger never ruled on the Petition. That was 368 days ago.

65. On June 1, 2015, I sent a Motion to Dismiss to the Clerk of the Court for filing in this case. It was filed. The State never responded. This Court never ruled on the Motion. That was 368 days ago.

66. On October 29, 2015, Judge James A. Haynes of Missoula County Montana dismissed three charges against me that there was no factual or legal basis for. This meant I was charged with two misdemeanors, alleged crimes that do not permit someone to be extradited.

67. On March 1, 2016, I filed a Motion for Summary Judgment in Case #90744 in the 443rd Judicial District Court in Ellis County Texas.

68. On March 14, 2016, the State filed a Motion for Summary Judgment in this case. [AFFI-SANCTIONS, ¶26, Exhibit 3.] Exhibit A to the State's Motion for Summary Judgment is a document in which Tabitha Smith, James Cook, Terry Ogden, Cheri Lujan, and Johnny Brown swear that they witnessed my signature.

They did not. The State of Texas has filed a so-called “Bond” that was not the one given to me.

69. On March 25, 2016, I filed an Amended Motion for Summary Judgment.

70. On March 25, 2016, because Judge Cindy Ermatinger was not acting on any motions, I sent a Demand for Orders to the Clerk of the Court for filing in this case. It was filed. Judge Cindy Ermatinger never acted upon the Demand.

71. On March 25, 2016, because Judge Cindy Ermatinger was not acting on any motions, I sent a Demand for Orders to the Clerk of the Court for filing in Case #14-158. It was filed. Judge Cindy Ermatinger never acted upon the Demand.

72. On April 6, 2016, I filed a Response to the State’s Motion for Summary Judgment in this case.

73. On April 7, 2016, Assistant Ellis County District Attorney Ann Montgomery-Moran filed a “State’s Response to Defendant’s Motion for Summary Judgment.”

74. The State’s Response to Defendant’s Motion for Summary Judgment is false and deceptive.

75. On June 2, 2016, Judge Cindy Ermatinger’s clerk issued a letter setting a hearing for June 10, 2016 and the summary judgment hearings for June

28, 2016 with my attendance REQUIRED. A June 10, 2016 hearing is impossible as it violates the rights granted pursuant to TRCP Rule 166a. Despite no requests for hearings and specific motions explaining the need to participate by telephone, the letter set hearings on motions including matters for hearing that are required to be heard prior to resolution of summary judgment motions. [Exhibit 12 hereto is a true and correct copy of the emailed letter that I received.]

76. My last court visit in Ellis County found me unlawfully incarcerated for 53 days on bogus charges, and a host of crimes and violations of Constitutional rights were committed against me. I believe being REQUIRED to attend unnecessary hearings is a set-up orchestrated by Ellis County Texas District Attorney, Patrick Wilson and Judge Cindy Ermatinger. Upon information and belief, Ellis County Texas District Attorney, Patrick Wilson, wants to have me arrested on bogus charges. Upon information and belief, Judge Cindy Ermatinger is conspiring with the Ellis County District Attorney's Office in this regard. I asked the Ellis County District Attorney's Office to advise if they will quash the indictment, if there is a warrant for me in Ellis County, and if the plan is to have me arrested when I show up in Ellis County. There was no response. [Exhibit 13 hereto is a true and correct copy of the email that I personally sent.]

77. I never received notice by service of Citation in Case #90744. I was never served with it.

78. I never received the indictment. I was never served with it. I did not see the indictment until Clerk of the Court Melanie Reed emailed a copy to me on May 31, 2016. [Exhibit 5 hereto includes a true and correct copy of the email that I personally received from Melanie Reed.] Clerk of the Court Melanie Reed informed me that there is no Complaint or Information in the Indictment Case. The Indictment shows that I was not charged with a Texas crime and was not released to return to stand trial on a Texas crime.

79. I has now filed a Judicial Misconduct Complaint against Judge Cindy Ermatinger. Judge Cindy Ermatinger has not issued orders in this case. She issued one order setting a hearing, but nothing else. When Judge Cindy Ermatinger scheduled hearings for June 10, 2016 and June 28, 2016 REQUIRING my attendance, I realized that she was not going to act to dismiss this case as the facts and evidence clearly require.

80. I never received notice by service of Citation in this case. I was never served with it.

81. Ellis County Texas District Attorney Patrick Wilson is a crook.

82. Assistant Ellis County District Attorney Ann Montgomery-Moran is a crook.

83. The State has concealed the valid documents in this case, and this has all been orchestrated by Ellis County Texas District Attorney Patrick Wilson.

[AFFI-2016-05-09, ¶¶12-16, 21-33.]

84. I have specifically identified which documents I am referring the trial court to in support of my Motion. I have authenticated the documents pursuant to TEX.R.EVID. 901; there is no hearsay pursuant to TEX.R.EVID. 801; and my Affidavit is in the proper form.

85. This Affidavit is based upon my personal knowledge. I am competent to testify as to the matters herein.

FURTHER AFFIANT SAITH NOT.
