**MOTION FOR COURT-APPOINTED ATTORNEY**

---

William M. Windsor files this “Motion for Court-Appointed Attorney.”

William M. Windsor filed an Affidavit of Indigence with this Court on July 23, 2016. This complied with the Texas Rules of Appellate Procedure. There was no contest.

William M. Windsor filed an Affidavit of Indigence with the District Court on several occasions, most recently on July 22, 2016. This complied with the Texas Rules of Civil Procedure and the Ellis County Court Plan. There was no contest. William M. Windsor first requested appointment of an attorney on June 9, 2016, when he filed a verified Emergency Motion for Public Defender in Case #90744 in the 443rd Judicial District Court in Ellis County Texas. He also requested a court-appointed attorney on June 12, June 13, June 17, June 28, July 1, July 20, and July 22, 2016. The “Ellis County Court Plan” provides that if the accused requests, but is not qualified to receive, court appointed counsel, the Court shall so notify the accused within three working days after receiving the application for court appointed counsel. William M. Windsor was never notified.

The “Ellis County Court Plan” clearly states that appointment of counsel cannot be delayed beyond the timelines specified in these rules and in the Code of Criminal Procedure.

It has been **61 days** since William M. Windsor made his first request for court-appointed counsel, and neither Judge Cindy Ermatinger, Presiding Judge Mary Murphy, Keith Dean, Judge Melody Wilkinson, Chief Justice Nathan Hecht, nor Judge William C. Bosworth, Jr. have appointed counsel or even responded in any manner to the requests.

The United States Constitution and the Texas Constitution provide that an attorney will be provided for those who cannot afford one. William M. Windsor cannot afford an attorney, and he needs one appointed immediately.

William M. Windsor asks that this Court appoint counsel for William M. Windsor to handle matters related to this case.
