Zoom call with Judge Schaap

0:16 O:01 Judge Schaap - OKAY Hunter -
Hunter you are on a docket I have
for ppl with respect to attorney status
wh, it appears that an attorney has
been appointed for you, a good attorney
Brooks Barfield, but I understand
that you are still trying to hire someone
Hunter: yes

Schaap: Who are you trying to hire?

Hunter: We havent, we dont have
anyone yet, but we are speaking right
now

Schaap: Well, can you tell me who
you're speaking with or who you're
working with? DO you have anybody
in mind yet?

Ms. no sir

Hunter no sir/okay

Schaap: Well ^{for you} we have appointed
Brooks Barfield ^{if that's what you want to do} you're entitled to hire your
own counsel, I dont know if you will do
better than Brooks ^{but} you're entitled but right now
Brooks is your attorney & so he is your attorney & if you
want to consult with him, about your matter

②

Schaap continue
Some time this is going to go on a docket
where I'm going to deal with it + its
best for you to have to have an attorney
at that point.

Ms. Right

Schaap and so that's why you have
been encouraged to is because if this
matter gets on a docket - Aw w - you've
been given plenty of opportunities to find
someone and I'm sorry if you're not
finding somebody but AGAIN Brooks is
a very competent attorney, it doesn't matter
why you think that's a bad idea, it
doesn't matter to me, the bottom line is
if this matter gets on a docket, then
and you don't have an attorney + you don't
want Brooks, Hunter will be representing
himself, and that would be a bad idea.

Mark: Your Honor - we ask for an
extension - we do not want MR
Barfield

3:42

Schaap: Well he is going to be listed
as your attorney until you find someone
to replace him I will ^{until such} tell MR Barfield to
not take any action on your case ^{at least} right now
But if you find yourself in a position ^{matter for right now} ^{might not} able
to retain an attorney + in fact you want MR Barfield

1
Schaap so be it, he will work with you &
see if he can get this matter resolved for
~~you~~ IF you hire someone ~~you~~ with
will have to send us a letter to reflect
they represent you. Do you understand?

1:41 Marcie! Your Honor - may I speak?

Schaap: sure my name is Marcie Schreck
& I'm Hunter's mother. And I signed that
letter under duress, and that is not
paper

Our wishes. Hunter told from the start
that he did not want a public defender
that he wanted his private attorney and

1:49 due to nothing of us we have been unable
so far to return someone right now and
we do not want Brooks Barfield, I

2:21 was told if we did not return immediately
a public defender that bond would be
forfeited and that Hunter would go into
jail, so I signed that paper under duress
S.C.

2:32 Schaap: Well, if you don't want Mr Barfield
to represent Hunter that is up to you!

Now we want an extension is that okay

2:44 Schaap: well I think this has been on the
here is the deal - Hunter can represent
himself if that's what he wants to do but at

(3)

Schaapi Cont.

3:40

And you want someone to represent him -
Mr. Bancroft is fully capable of doing that

4:18 Marcie: You know they also made
statements that if Hunter is not capable -
he would go to state jail! And the matter
has not been been discussed & that's the
remarks already being discussed & that's
remarks been made to us

4:25 Schaap: I don't know what remarks have
made to you, but what I'm telling you is
how it's going to be - Okay

Marcie: Right but I'm asking

Schaap: Hunter

Marcie: I'm asking for an extension

Schaap: The extension will be until
such time has put on a docket & he got
to appear before the court to have
the matter resolved

4:30 Marcie: Right

Schaap: We need to stay in touch we
need to know what the circumstances are

Marcie: And we will WE ARE ACTIVELY SEEKING
an attorney

Schaap: but at the same time I want you
to know you don't get an unending open
window when it comes to getting an
attorney NOW IF YOU decide Hunter doesn't need

④

Schaap:

4:50 Representation at all that's a decision
you get to make I'll visit with him about
that because I really discourage ppl
from representing themselves but at
the same time I want you to know
it's a bad idea, but I'm gonna tell
Brooks to stand down not take
any action but I want you to know
his there + understand his very

5:26 Competent, he's very capable of
representing Hunter and it would be
the most economical thing to do

5:34 but you will have such time until me.

Schuko matter gets on a docket to be
5:44 resolved and get it taken care of - so
you don't want to wait, try to get
someone hired and if you don't well
see you down the road

5:53 Anne: we are actively seeking - you
know, we will keep you posted
Schaap: Good luck on that
Ms. Thank you sir

6:24 Schaap you are excused now today
